Robert reaches the end of the month
and realizes he has no money left

A friend recommends that he download
Bread and Butter Budgeting to help
manage his finances

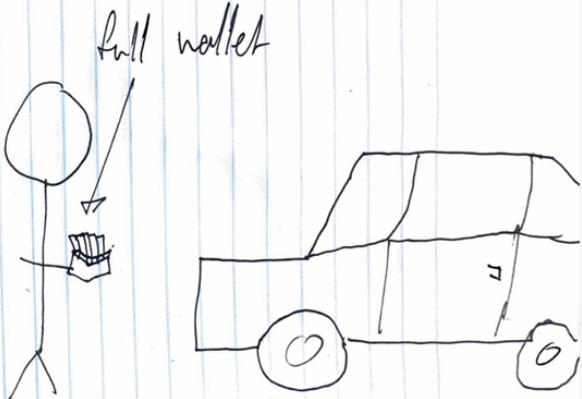

Robert inputs all of his expenses
into the app so he can track them

Over the next month, Robert regularly
checks and updates the app with his expenses

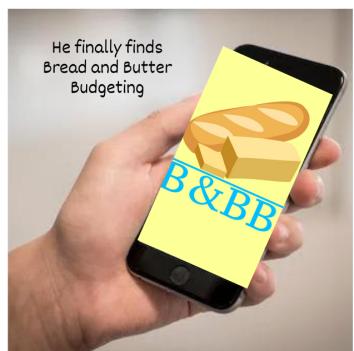

Robert realizes that life is easier
and less stressful now that he has
control over his money

The end of the month comes and
Robert has some money leftover. Over
the next few months he continues to save,
and eventually buys a new car

Breaking news 3/13/23... Jakobi Meyers says in interview. "After signing with the Patriots for the 2023 season, he's looking to be a part of the team for the rest of my career. I think it's smart to save some money. So any and all players help me out."

2

A week later the Veteran wide receiver came out in press conference. Everyone's telling me the word was he spent my money and didn't have the best fun. Im taking my money and betting it all on red 7 after every season... Gotta hit that! Reporters had a multitude of things to say now. Jakobi left immediately.

3

But then when the time came to 2 and Jakobi put 5 million on black 7. Ball came up on black 8. Jakobi left the room and hit by a truck and just went right to sleep it off.

4

When suddenly, Mac Jones from the future comes in the middle of the night like Ebenezer Scrooge. Mac was wearing 4 super bowl rings and was wearing a white t-shirt. He said 'I am a row were Macs first words. Then proceed to say, "Come meet my friend if you want to protect your financial future."

5

Then Deandre Hopkins from the future appears, wearing the same superbowl rings mac has. Deandre Talks highly of a game that can make you rich. He can tell you about it and gives you updates to see how well your money is doing. Dhop said, "no more red 7, the 2023 off season you guys acquired me, red 10, and that's all you need to win the super bowl."

6

When Jakobi woke up he couldn't remember his name until he took out bread and butter for toast in the morning. He then remembered, "BREAD & BUTTER BUDGETING". From that day on he was always financially stable. **NOTE:** this is an old picture New superbowl pics will come.
